

## The beastly branks

Is your whining wife or horrible husband chatting and gossiping all day long? Well it's your lucky day! This item is specifically for women. The shiny, brutal brank will deter your partner from talking. Just simply place it over your husband / wife's head and if they give a slight movement of the tongue, it gets chopped off! Buy now!

## The reckless racks.

Is a crazy criminal not confessing of what they have done? Then buy the extraordinary, & amazing rack to solve this problem! The rack has a fantastic value as they're running low.

It's very easy to use because all you need to do is strap the criminal down onto the wood and twist the handle. If they don't tell the truth, their skin will stretch ~~no~~ more and more until they do. Watch them scream in excruciating pain making them tell the truth. Get this beautiful item now. ~~It~~ Without a doubt, all your problems in life will go.
